CALIFORNIA LEGISLATURE—2009–10 REGULAR SESSION

ASSEMBLY BILL

No. 1889

Introduced by Assembly Member Portantino

February 16, 2010

An act to amend Sections 94809.6, 94897, 94904, 94920, and 94928 of, *and to add Section 94874.3 to*, the Education Code, and to amend Section 8 of Chapter 310 of the Statutes of 2009, relating to private postsecondary education.

LEGISLATIVE COUNSEL'S DIGEST

AB 1889, as amended, Portantino. Private postsecondary education: California Private Postsecondary Education Act of 2009.

(1) Existing law establishes the California Private Postsecondary Education Act of 2009, which, among other things, provides for student protections and regulatory oversight of private postsecondary schools in the state. The act provides transition provisions from the former Private Postsecondary and Vocational Education Reform Act of 1989, which, among other things, provide for the preservation of certain claims and remedies under the former act.

This bill would require a remedy that could have been ordered to redress a violation of the former act to remain available for certain claims or causes of action that are commenced after June 30, 2007.

(2) *Existing law establishes the Bureau for Private Postsecondary Education to regulate private postsecondary institutions through the powers granted, and the duties imposed, by the act.*

This bill would prohibit the bureau, for the period of July 1, 2010, to July 1, 2011, inclusive, from enforcing the act against institutions certified to offer educational programs in flight instruction and aircraft maintenance by the Federal Aviation Administration. The bill would also require the Legislature to hold public informational hearings for the purpose of reviewing the appropriateness of regulating educational programs in flight instruction and aircraft maintenance under the act.

(2)

(3) The act prohibits institutions, as defined, from performing various actions.

~~This bill would additionally prohibit institutions from offering a doctoral degree, unless the institution is accredited~~ *prohibit an institution from offering an unaccredited doctoral degree program without disclosing to prospective students that the degree program is unaccredited, and any known limitation of the unaccredited degree, including, but not limited to, whether the degree is recognized for licensure or certification in other states.*

(3)

(4) The act prohibits an ability-to-benefit student, defined as a student who does not have a certificate of graduation from a school providing secondary education, or a recognized equivalent of that certificate, from enrolling in an institution unless the student achieves a specified score on an independently administered examination from a specified list of examinations prescribed by the United States Department of Education that demonstrates that the student may benefit from the education and training being offered.

This bill would authorize the Bureau for Private Postsecondary Education to publish its own list of acceptable examinations if the United States Department of Education does not have a list of relevant examinations that pertain to the intended occupational training.

(4)

(5) The act requires specified private postsecondary institutions to refund 100% of the amount paid for institutional charges, less specified expenses, if notice of cancellation is made through attendance at the first class session, or the 7th class day after enrollment, whichever is later.

This bill would change the 2nd deadline for notice of cancellation from the 7th class day after enrollment, to the 7th day after enrollment.

(5)

(6) Existing law defines “graduates employed in the field,” for purposes of the act, as graduates who are gainfully employed within 6 months of graduation in a position for which the skills obtained through the education and training provided by the institution are required or provided a significant advantage to the graduate in obtaining the position.

This bill would revise this definition to remove skills obtained that have provided a significant advantage to the graduate in obtaining the position, *and include skills that are utilized to perform the purpose or objective of the position or the major responsibilities of the position.*

(6)

(7) Existing law appropriates \$580,000 from the Private Postsecondary and Vocational Education Administration Fund to the Bureau for Private Postsecondary Education, for the purpose of funding five private postsecondary education specialist and senior specialist positions.

This bill would require those positions to be permanent, full-time positions that are located in the Sacramento office of the bureau.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.
